Description: Find peace watching the water ripple the reflection of a large romantic moon. With the twinkling of the night sky, the moon's reflection comes to life in small Crescent stitches and Silk Lame' Braid. The moon's craters take shape with the Bargello Twist in soft silks. Stitch the glow with long stitches on canvas the color of the night sky. A small spit of land, a dock, and finally the tree gives shadowed perspective to the design and uses unique versions of Crescent stitches to create the sparse foliage of the tree silhouette.

Stitches used include Smooth Spider Web, Round Rhodes, 4-trip Herringbone, Brick, Parisian, Hungarian, Scotch, Byzantine, Milanese, Detached Button, Couched Lines, Layered Jessicas
